

# CONSERVATION WALKS

This is an opportunity to ride and walk over a number of routes on Hedgeley Hall Estate. Each route provides a range of features, woodland carr with its range of plants such as Iris, low pasture along the River Breamish that provides a habitat for Lapwings and Oystercatchers and in the riverbanks Sand martins can be seen. The Estate has a small parkland which has a range of capital works which includes restoration of a Lime tree avenue and restoring an area to parkland by grassland reversion.
